### Enrolments Report 2017

This year we have finished the year with full classes in our both 3 and 4 year old groups. 4 year old Rainbows have been at capacity to run over 4 days for the entire year. 3 year old Stars have picked up 2 enrolments throughout the year and have been full since term 3. In 2018 we are again running 4 groups across 4 day with our 4 year old kinder class, and we have rising number in our 3 year old group which will run for 2 days (3 hours each day).

It is also worth noting that our 2017 kinder families are not just from the Belgrave/Belgrave Heights and South areas. A proportion of our families are from Tecoma, Selby, Emerald, and Narre Warren North which we believe is in indication of the great kinder program that is offered at Len Jeffrey Memorial Preschool.
