

With Christmas just around the corner we are getting ready for the end of our kinder year. Our little 3year olds are ready for big kinder and our 4 year olds are excited to start school! We had a jam packed fourth term with a hugely successful Bunnings BBQ which raised funds for the daily running at the kinder. Our trivia night was so much fun, and highlighted the community spirit we have in Belgrave South, with all the very generous donations we received from local businesses. The party carried on long into the night with so many great parents to chat to and get to know a bit better. The children had a sugar fuelled dance at the Halloween disco, with great costumes everywhere, it was a good opportunity for them to socialise with their friends and teachers outside the kinder environment.

Having completed our Information night and AGM, the financial year is drawn to a close, and we welcome a fresh group of parents who will join our Len Jeffrey family. We filled our committee positions very quickly with an enthusiastic group of parents who are willing to donate their time and effort to keeping our kinder great. I am very proud to be given the opportunity to continue in the position of president again... so you will be hearing from me again next year. I'm really looking forward to getting the New Year underway and getting stuck into some very exciting projects at our kinder.

We still have graduation for our 4 year old children coming up which is a great night to showcase our wonderful children and say good-bye. Then we have our kinder Christmas party on Friday the 13th on the BSPS oval. BYO food and drinks, for a great afternoon of fun including a visit from Santa!

I want to say a huge thank you to everyone, especially our teachers and committee members, who work so hard to make our community and kinder wonderful.

Happy holidays and happy New Year everyone! I hope you all have a fun filled and safe holiday break and look forward to seeing those of you who are returning again next year. To those of you who have finished their kinder journey good luck at school next year! We are very proud of all our children, have fun, keep being amazing!
